

PORTFOLIO REQUIREMENTS

1. Overall Design

- Clean, minimalistic layout with proper use of white space and balanced sections.
- Mobile-first & fully responsive design.
- Dark/Light mode toggle for enhanced user experience.
- Smooth scrolling with animations (fade-in, slide effects).
- Consistent color scheme (2–3 main colors + 1 accent color).
- Use of Google Fonts or modern typography (e.g., Poppins, Inter).

2. Header (Navigation)

- Sticky header that remains visible while scrolling.
- Logo/Name (clickable to navigate to the top).
- Navigation menu: Home, About, Skills, Projects, Contact.
- Navigation menu for mobile view (using media query).
- Scroll-based active section highlighting.

3. Hero Section (Landing)

- Intro text (Name, tagline, short description).
- Call-to-Action buttons (Hire Me, Download Resume).
- Profile image or illustration (modern shape).
- Background with gradient, abstract shapes, or animated SVG.

4. About Section

- Modern profile picture (round or card-based style).
- Short bio covering who I am, what I do, and my goals.
- Key details: Experience, Location, Availability.
- Download Resume button.

5. Skills Section

- Categorized skills (Frontend, Backend, Tools).
- Progress bars or skill indicators/grid logos.
- Icons for each skill (e.g., Python, Django, HTML, CSS).

6. Projects Section

- Modern project cards (image, title, description).
- Hover effects (zoom, overlay, button reveal).
- (Optional) Links for Live Demo or GitHub.
- (Optional) Filter projects by category (Web, App, Design).

7. Contact Section

- Contact form (Name, Email, Message).
- Clickable Email & Phone.
- Social media icons (LinkedIn, GitHub, Twitter, etc.).
- (Optional) Google Map integration.

8. Footer

- Copyright text.
- Quick navigation links.
- Social media links.

9. Extra Modern Touches

- Dark mode toggle.
- Keyframe animations for interactive elements.
- Lazy loading for images to improve speed.

NOTE - Students can add their own innovative ideas. In case of any doubts or clarifications, you are encouraged to **consult your respective tutor** for guidance and support. The portfolio site should satisfy at least 95% of the listed requirements.
